MATH CAMP IS GOING VIRTUAL THIS SUMMER

EXPLORING MATHEMATICS

Exploring Mathematics is a five-day virtual workshop for junior and high school students **13 years or older** that meets from 1:00 to 4:00 daily. We are offering two sessions this summer:

Session 1 will be from July 13th through July 17th. **Cryptography: from permutation ciphers to RSA.**

Session 2 will be from July 27th through July 31st. **Theory of Graphs (networks): from Königsberg bridges to the Six Color Theorem and beyond.**

Registration is limited, so sign up now!
