Program Lead at Ivy Camps USA, Princeton, NJ

Summer 2022

I used my Byrne Funds in order to help me enrich myself through working as a Program Lead at Ivy Camps USA. At Ivy Camps USA, I initiated the Princeton summer camp, devising daily schedules and activities, laying the groundwork for future camps. I planned, coordinated, and executed activities while guiding campers in personal growth and daily living skills. I also facilitated daily instruction through curriculum, arts and crafts projects, and physical activities for 20+ K-8 graders, while teaching subjects related to math and STEM like cryptocurrency and blockchain, building businesses, and exploring STEM and science.
