This note gives errata for the article *Hypergeometric decomposition of symmetric K3 quartic pencils* [1].

ERRATA

- (1) After (3.3.1):  $\mu_q^\times$  should be  $\mu_{q^\times}$ .
- (2) After (3.3.1) and Proof of Theorem 3.3.3:  $\mu_{(q^\times)^r}$  should be  $(\mu_{q^\times})^r$ .
- (3) In the reference [FG51], the last name is “Furtado Gomide”.
