By my signature, I relinquish my FERPA rights in the following context: My written homework for Math 23, Winter 2020, may be returned en masse with others in the class via the homework boxes in Kemeny Hall. I understand that my homework score may be visible to others. If I choose not to relinquish my FERPA rights, I understand that I will have to present my student ID (for example at my instructor's office) in order to receive my exams and homework sets.
