

Math 8
Winter 2020
FERPA waiver

The FERPA act gives you certain rights, including certain rights to privacy. In Math 8, we will return graded exams to you individually in class.

We will return graded homework papers via homework boxes, which are located in the hallways of Kemeny. This is by far the most convenient method for everyone. However, since someone else looking for their homework paper could conceivably see your score, we must ask you to sign a waiver before we can return your homework papers in this way.

You are not required to waive your FERPA rights. If you do not, you may get your graded homework papers by coming to your instructor's office. However, you **MUST** fill out and return this form, so we know how to return your homework papers to you.

Print your name here, and sign under **ONE AND ONLY ONE** of the two options.

NAME (printed): _____

YES: Return my homework via homework boxes. By my signature I relinquish my FERPA rights in the following context: My graded homework papers may be returned en masse with others in the class. I acknowledge that I understand my score may be visible to others.

SIGNATURE: _____ DATE: _____

NO: Do not return my homework via homework boxes. I choose not to relinquish my FERPA rights. I understand that I will have to present my student ID at my instructor's office to retrieve my graded homework papers.

SIGNATURE: _____ DATE: _____
