

Registration Form
Exploring Mathematics
Summer 2008

Exploring Mathematics is a five-day workshop that meets from 1:00 to 4:00 daily in Kemeny Hall at Dartmouth College. We are offering two sessions this summer. Session 1 will be from July 7th through July 11th Session 2 will be from July 28^h through August 1st. The workshop is sponsored by the Mathematics Department at Dartmouth and is supervised by Professor Dorothy Wallace and Kim Rheinlander. The workshops are videotaped to allow the workshop instructors to review the day's activities to prepare for the next session and to improve their own teaching. Algebra is a prerequisite for this program. Please send the completed form with a check made payable to "Dartmouth College" for \$20.00 (\$40.00 for both sessions) to:
