

**DARTMOUTH STUDENTS WARMLY WELCOMED**

# **Mechanical Puzzles Day**

At Dartmouth College

Tuesday, February 19, 2008

## Speakers:

**Stewart Coffin** - inventor and designer of polyhedral puzzles

**Bill Cutler** - writer of software for analysis and solution of puzzles

**Oskar van Deventer** - inventor and designer of combinatorial puzzles

**Jerry Slocum** - puzzle collector, writer and connoisseur

**George Hart** - sculptor, geometer and puzzle designer

**Tom Lensch** - puzzle maker extraordinaire

Meetings will begin at 1:30PM in Kemeny with a series of talks followed by a reception and puzzle party.

For registration information and details:
